**6. If you are requesting production of a Document(s), please explain if you have already requested the document and any response you have received. You must attach a copy of your written Request for the Document(s) and the Responding Party's Response, if any.**

I'm not requesting documents from either Ministries because I don't trust either of them to be honest; especially in FOI requests.

**7. If you are relying on any documents in this Request, please list below and attach. You must include all the documents you are relying on.**

I am including two documents:

1. Disability Mail
2. ODSP Cover-Up Emails

**8. Please check off how you wish the tribunal to deal with the matter:**

In writing     
 Conference call     
 In person hearing     
 Don't know

**9. Explain why you wish the Tribunal to deal with the request in the manner indicated above.**

Whatever method is best for the Tribunal is best for me. I see that some of the new respondents reside in Quebec and Ottawa. Therefore, an alternative method of the Tribunal's choosing works for me.

**3. Please describe the order requested in detail.**

I just realized that the Ontario Ministry of Children, Community and Social Services (CCSS) is working with Employment & Social Development Canada to systematically remove not just disabled people from social benefit programs, but they also removed thousands of elderly people in receipt of OAS and regular CPP. I know they're not just not processing applications because my CPP Disability benefit was taken away from me because I was told by one of Service Canada's nurse practitioners that I'm not disabled anymore.

**4. What are the reasons for the Request, including any facts relied on and submissions in support of the Request?**

I submitted Freedom of Information (FOI) requests to the CCSS and the Employment & Social Development Canada department to find out how many beneficiaries are in receipt of ODSP, CPP Disability, OAS and regular CPP (<\$2K/month). Even meaghan asked if this information could be sent altogether. This information should have been provided separately, exactly as I initially asked for it. I was so afraid I'd be denied, just like the CCSS denied me, that I didn't ask for 'too much'.

**5. Do the other parties consent to your Request?**

- Yes     No     Don't know
