The following two pages are the two pages included as the 'Dr. Andrew Pinto.pdf' attachment:

To The Human Rights Tribunal of Ontario,

Dr. Andrew Pinto is the founder and director of the Upstream Lab, a research team focused on tackling social determinants of health, population health management, and using data science to enable proactive care. He holds the CIHR Applied Public Health Chair in Upstream Prevention. He is a Public Health and Preventive Medicine specialist and family physician at St. Michael's Hospital in Toronto and an Associate Professor at the University of Toronto. He is the Associate Director for Clinical Research at the University of Toronto Practice-Based Research Network, the lead for clinical research of Ontario's POPLAR network, and the founder of the Canadian Primary Care Trials Network. He serves on the Institute Advisory Board of CIHR's Institute for Population and Public Health, is an adjunct scientist at the Institute for Work and Health, and an honorary senior lecturer at St. Andrews University in Scotland. Source.

In 2011, Andrew was a Partner at Pinto Wray James LLP, which is also when the government of Ontario appointed him to conduct a review of Ontario's Human Rights Code. Source.

I'm requesting that the Human Rights Tribunal of Ontario appoint Dr. Andrew Pinto to draft and eventually finalize the Information Sharing Agreements (ISA) that I requested in the Sept. 17, 2024 Form 12 submissions to all parties.

I'm requesting that all costs associated with this process be incurred by the respondents in HRTO File #: 2024-57443 and HRTO File #: 2024-57438, in whatever way they see fit.

Earlier today I emailed Dr. Pinto, to see if he would be interested in contributing to the formation of these ISAs. Dr. Pinto has also recently conducted a research study called: 'Advocating for Policy Change: Examples Emerging From a Medical-Legal Partnership in Primary Care', and I think Dr. Pinto has the qualifications required to draft and finalize the requested ISAs. Because time is of the essence, I'm submitting this Form 12 request for a Tribunal ordered inquiry today, even though I haven't heard back from Dr. Pinto. If Dr. Pinto is not available to perform this request, then hopefully the Tribunal knows of another qualified individual to draft and finalize the ISAs.

Thank you,

Leah Dyck

Pinto to review Ontario human rights law

Following a three-year trial with a new system, Ontario Attorney General Chris Bentley announced earlier this month that the government of Ontario has appointed Andrew Pinto to conduct a review of the provinces' Human Rights Code.

Pinto, a partner with Pinto Wray James LLP, currently practises human rights law and is a past chairman and executive member of the administrative law section of the Ontario Bar Association. In addition, he is an adjunct professor at the University of Toronto's law school where he teaches administrative law.

In June 2008, Ontario made various changes to its human rights system, most notably switching to a 'direct-access' tribunal system. Under this system, individuals may file complaints directly to the Human Rights Tribunal of Ontario, which then decides the best way to deal with a grievance.
